[REDACTED] has post-traumatic stress disorder and anxiety. [REDACTED] is prescribed Xanax and Doxepin. Doxepin is also used to treat schizophrenia. [REDACTED] takes Xanax twice a day every day and Doxepin before bedtime. The medications help her with coping and help her from panicking when her children are outside fearing they may be kidnapped.

For approximately 8 years, [REDACTED] has been on methadone. It is prescribed by a doctor and [REDACTED] receives methadone from a clinic once a day. [REDACTED] receives methadone from her addiction to cocaine and from an addiction to oxycodone. When [REDACTED] was in a car accident she had been prescribed oxycodone.

The medications help [REDACTED] from being anxious and allows her to let her children play outside. The medication do not affect her memory.

HAUGHT first introduced cocaine to [REDACTED], in which they would snort it. [REDACTED] used cocaine a lot. A couple months ago, [REDACTED] relapsed and used cocaine. [REDACTED] relapsed prior to speaking with law enforcement because she was nervous about what she would be asked and what was going to happen to her. [REDACTED] used cocaine when she massaged EPSTEIN. [REDACTED] used cocaine every time she went because she was uncomfortable, and it made the time go faster. The money she received from EPSTEIN was used to buy marijuana and cocaine. [REDACTED] did not tell EPSTEIN she used cocaine. EPSTEIN did comment on [REDACTED] weight, telling her she looked skinnier. [REDACTED] told EPSTEIN she used marijuana and he said it was a hippy thing.

When [REDACTED] was pregnant with her son [REDACTED] and her daughter [REDACTED], she did not use cocaine. [REDACTED] relapsed while pregnant with her son [REDACTED]. [REDACTED] used a little after she had [REDACTED] then corrected herself saying she did not really use after having him. [REDACTED] started going to meetings because she had an addiction. This was when she was prescribed methadone. There were periods of time where [REDACTED] relapsed.

When [REDACTED] was deposed, she had taken Xanax, but she was not under the influence of cocaine. Xanax does not mess [REDACTED] up. During the time when [REDACTED] was settling her civil suit, she was under the influence of cocaine. This was when there was a lot of back and forth between her attorneys and EPSTEIN's attorneys.

[REDACTED] first used oxycodone when she had been in a car accident. [REDACTED] was approximately 18/19 years old and pregnant with [REDACTED]. [REDACTED] was prescribed oxycodone and took them in pill form then started injecting them when someone had told her how to do that.

- [REDACTED] was taking Percocet during the same time she was taking oxycodone. Both medications had been prescribed by a doctor. [REDACTED] does not use either of these medications anymore as she is presently on methadone.

[REDACTED] has tried to do residential treatment approximately 3 to 4 times, but she could not be away from [REDACTED] or her son [REDACTED].

[REDACTED] did not sign away her parental rights to her first two children. [REDACTED] gave her mother temporary guardianship of her first child [REDACTED]. [REDACTED] was using drugs at the time and that was why she signed over temporary guardianship. [REDACTED] gave temporary guardianship of [REDACTED] to [REDACTED] grandmother. [REDACTED] felt they took [REDACTED] from her. [REDACTED] father is the one who taught [REDACTED] how to shoot up. [REDACTED] had to sign over guardianship because she had been breastfeeding [REDACTED] at the time while she was using cocaine and she could not pass a drug screen.

When [REDACTED] was pregnant with [REDACTED], she relapsed. [REDACTED] and [REDACTED] had an argument and a neighbor called the police because they were so loud. When [REDACTED] had [REDACTED] she had to pee in a cup. [REDACTED] gave a urine sample and was clean and [REDACTED] was allowed to go home with him. [REDACTED] children [REDACTED] and [REDACTED] went to [REDACTED] sister for three months before they returned home.

[REDACTED] talked about a time where her son [REDACTED] was with his father [REDACTED] and [REDACTED] "got all messed up". [REDACTED] climbed out of a window in his diaper where a neighbor found him and contacted the police.

[REDACTED] described that every time she went to massage EPSTEIN, he would turn over and "jacked off". The first time she went to massage EPSTEIN she went with [REDACTED]. EPSTEIN rolled over and [REDACTED] got on top of him. It was obvious they were having sex and [REDACTED] was sitting on a "polka dot ugly ass couch". [REDACTED] tried not to look. EPSTEIN did not touch [REDACTED] this time.

About ten minutes before the massage was over, EPSTEIN rolled over and had [REDACTED] touch his nipples while he fondled her behind. EPSTEIN always ejaculated. EPSTEIN would touch [REDACTED] breasts. EPSTEIN tried to touch [REDACTED] vagina 2 to 3 times with his hand. EPSTEIN did touch her vagina and [REDACTED] told him she was not comfortable and he said "ok". EPSTEIN tried to use a

massager/dildo on [REDACTED]. EPSTEIN did touch [REDACTED] vagina with the massager/dildo and she pulled back saying "excuse me". There was one time where EPSTEIN used the [REDACTED] a girl when [REDACTED] was in the room. There was a different time where a girl performed oral sex on [REDACTED] with EPSTEIN in the room.

When [REDACTED] first started massaging EPSTEIN she kept her underwear. As time progressed, she massaged EPSTEIN nude. [REDACTED] would go up to the room, set up the massage table, get oil or lotion, and then be undressed by the time EPSTEIN came in the room. Every massage ended in ejaculation. When it was over, [REDACTED] would get dressed quickly and leave. As she was leaving, [REDACTED] would overhear GHISLAINE MAXWELL or [REDACTED] in the house.

Others in the room with [REDACTED]:

- Girl – 1x
- [REDACTED] – 1x (first time [REDACTED] went)
- [REDACTED] – 1-2x
 - [REDACTED] and [REDACTED] were standing there massaging EPSTEIN while he was doing his own thing. EPSTEIN touched [REDACTED] backside and her breasts. [REDACTED] described that [REDACTED] did not have big breasts. [REDACTED] and [REDACTED] also massaged EPSTEIN while they were in the sauna.
- [REDACTED]
- MAXWELL
 - MAXWELL told [REDACTED] she had nice breasts. MAXWELL asked [REDACTED] if her breasts were real. When [REDACTED] told her yes, MAXWELL then told her she had a nice body. MAXWELL was feeling her breasts. [REDACTED] felt comfortable because she was a woman.
 - There were no other times where MAXWELL touched [REDACTED].

[REDACTED] did not touch [REDACTED].

Besides EPSTEIN, there were two other men [REDACTED] massaged.

- One of the massages was not a sexual massage. EPSTEIN told [REDACTED] he had a friend in town and asked her to massage his friend instead of him. [REDACTED] massaged the man in her underwear. There was no sexual touching during this massage.
- [REDACTED] talked about a different time she gave a massage to a different man, who [REDACTED] described as chunky and bald. MAXWELL told [REDACTED] that EPSTEIN had a friend over and that she could go upstairs and the man would be up in a minute. The man laid on his stomach and [REDACTED] massaged his back. He flipped over and there was no communication. He started the masturbating, then touched her buttocks and breasts and tried to put his fingers inside her. [REDACTED] did not like it. [REDACTED] got on top of him but did not have sex with him.
 - When asked about the prior statement she provided where she stated she had sex with him, [REDACTED] advised that she did have sex with him. [REDACTED] advised that she was getting confused because there was also another sexual encounter that happened

around the same time, but that encounter happened with EPSTEIN and another woman who was a model. During this sexual encounter where another female was present, EPSTEIN tried to penetrate [REDACTED]. [REDACTED] thought EPSTEIN tried to penetrate her twice but she told him not to because she did not like it.

- The sexual encounter with EPSTEIN and the girl was around the same time period when [REDACTED] massaged EPSTEIN's friend.
- [REDACTED] was paid extra money. [REDACTED] recalled telling HAUGHT that she was getting extra money that day.
- After he rolled over the man started masturbating. He then asked [REDACTED] to get on top of him, which she did. The man had sex with her. It did not last very long. [REDACTED] was very uncomfortable. The man told her he would give her extra money to have sex with him. EPSTEIN had never offered her extra money. The man gave her \$600/\$700. [REDACTED] never saw this man again. [REDACTED] did not talk to this man about her age.
- I rang the doorbell and went into the kitchen and saw MAXWELL. [REDACTED] was told EPSTEIN had to go somewhere and had a friend of his staying there. [REDACTED] was told to massage him. [REDACTED] wore lingerie that she had been given by them; no one told her what to wear. [REDACTED] thought it had been MAXWELL that called to schedule her for this massage.

There was a separate sexual encounter where EPSTEIN, a different woman, and [REDACTED] were all present. EPSTEIN had sex with the woman, who was a model, while the woman performed oral sex on [REDACTED].

[REDACTED] felt degraded when she went to EPSTEIN's home – she felt taken advantage of and uncomfortable. [REDACTED] also felt happy because she had a bunch of money.

[REDACTED] expressed that she did not want anything like what happened to her to happen to her own daughters. [REDACTED] told her 17-year-old son that she was sorry he had a "shitty life", and she did not know how to explain to him what happened to her.

[REDACTED] went to see EPSTEIN not MAXWELL. No one had asked her questions about MAXWELL prior to the recent interviews she has given to law enforcement. [REDACTED] just assumed that MAXWELL was not relevant at the time.

[REDACTED] took nude photographs of [REDACTED]. MAXWELL did not take photographs of [REDACTED].

[REDACTED] has filed a claim with the Epstein Victim's Compensation Fund. When asked if she has filed or intends to file a civil suit against MAXWELL, [REDACTED] said she should but no she has not.

[REDACTED] has no other lawsuit plans.

Testified:

- Murder trial
- Deposition prior to trial
- EPSTEIN deposition
- Spoke with an attorney when [REDACTED] was in a car accident – sued the other party because they hit [REDACTED]
